**Hey Kids!** When you are hungry at dinner time, you're probably pretty sure dinner is coming soon. But what if there wasn't any dinner? Or what if you never quite knew if there would be dinner today or not? Lots of kids right here in our area do not get enough to eat.

Maybe you know other kids at school who don't always have lunch, or who have problems paying attention and learning because they haven't had breakfast either. The truth is, in many neighborhoods right here in Greenville County, lots of people don't always get enough to eat.

**You can help make sure every kid in Greenville County has enough to eat every day by hosting a Pennies from Peanut Butter campaign.**
